GÖRG advises CEE Group on acquisition of wind farm Waldfeucht

GÖRG Partnerschaft von Rechtsanwälten mbB successfully advised Hamburg-based renewable asset manager CEE Group on the acquisition of the Waldfeucht wind farm in North Rhine Westphalia under the lead management of its partner Thoralf Herbold. The Waldfeucht wind farm consists of three wind turbines with a rated output of 4,5 MW each, enough to power more than 8,500 households with clean power.

The seller is Energiekontor AG. The commercial management will be carried out by CEE Operations GmbH and Energiekontor will be responsible for the technical management of the wind farm.

GÖRG advised CEE Group on all legal matters in connection with the transaction. In addition, GÖRG also provided comprehensive advice on tax and commercial aspects, including the financial model, through its tax advisory and audit practice.
