**GÖRG Partnerschaft von Rechtsanwälten mbB has advised bk Group AG and bk World Holding GmbH on raising financing for investments in further growth. The bk Group AG, a specialist for shopfitting and technical facility management, and its subsidiary, bk World, which specialises in the development of waiting lounges at e-charging stations, can thus continue their growth course. A GÖRG team led by Cologne partner Dr. Thomas Lange provided the companies with comprehensive legal advice.**

The bk Group AG, headquartered in Endsee, Bavaria, is a general contractor for turnkey property development and provides its clients with an all-round carefree service for commercial real estate, from planning to construction to support. As a subsidiary of the bk Group AG, bk World Holding GmbH specialises in the development of sustainable waiting facilities in the vicinity of charging parks for electric vehicles, as well as the construction of flexible real estate for a wide range of industries. In the bk World lounges, which are open around the clock, drivers can spend a pleasant waiting time during their charging stops. The so-called Qubes, which are available in different sizes, have sanitary facilities, a lounge with an office corner, a games console and vending machines with snacks and drinks.
